## **MY INDEPENDENCE DAY?**

**I, Avi**, unemployed for two years, light this torch for the billions of Shekels from the security budget which are being poured into a war for the defense of unnecessary settlements, at the expense of my unemployment benefits and at the expense of school hours for my children.

**And for the glory of the state of Israel**

**I, Orli**, a battered woman for the last five years, hospitalized twice, light this torch for a state which teaches men to batter as soon as they enter the army, for a system which releases violent, abusive men after 6 months of community service, for the building of by-pass roads in the territories, at the expense of battered women's shelters.

**And for the glory of the state of Israel**

**I, Dudu**, a reserve soldier for eight years, light this torch for the forty settlers for whom I leave my home, family and job. Forty settlers I guard, and for whom I fight, kill and get killed. Forty settlers who stand between me and peace with their war for real estate.

**And for the glory of the state of Israel**

**I, Arik**, prime minister for a year and some, light this torch for the fire and hell, the desperation and unemployment, the recession and "situation", and for social injustice. For the wars of the past, and the wars still to come.

**And for the glory of the state of Israel**

**THIS WAR IS AT OUR EXPENSE!**

**THIS IS NOT MY INDEPENDENCE DAY**
